

## CAGE OF MY DREAMS

People say that I am crazy.  
People say that I am crazy.  
But I'm not! I'm not!

My brain is just a little bit hazy.  
Yeah, just a little bit hazy.  
But I'm hot! I'm hot!

I don't like people 'cause they make me nervous.  
People, people – Yeah, they make me nervous.  
Except for you - in the cage of my dreams.  
Chained in the cage of my dreams...

Stay inside my head all year long.  
Stay inside my head all year long.  
And you too. You too.

You won't leave me 'cause I care about you.  
You won't leave me 'cause I care about you.  
We're not through. We'll be never through!

I don't like people 'cause they make me nervous.  
People, people – Yeah, they make me nervous.  
Except for you - in the cage of my dreams.  
Chained in the cage of my dreams...
