

HERE COMES THE SWIPE!

Welcome to the show in the culture of nowhere.
Welcome to the show. C'mon, c'mon.
Do you dare?

Welcome to the trash in the world of envy.
Welcome to the trash. C'mon, c'mon.
It's all free.

Here comes the swipe!
No media hype.
Here comes the swipe!
And we're the Swipes!

Welcome to the fear in the hearts of everyone.
Welcome to the fear. C'mon, c'mon.
Security is gone.

Here comes the swipe!
No media hype.
Here comes the swipe!
And we're the Swipes!
