

## LIGHT THE NIGHT

Come with me. Let's look for secrets.  
We will live with no regrets.

That's our fate in this world of hate.

Yeah, it's tonight!	Oooh.
Let's light the night!	Oooh.

Come with me. We'll find a better way.  
Tommorrow is not just another day.

It's our fate to find the gate.

Yeah, it's tonight!	Oooh.
Let's light the night!	Oooh.
An ancient fight	Oooh.
that creates delight.	Oooh.
