

SMART NEW WORLD

We're believers – far from reality.
Achievers – full of vitality.
and fever for a perfect live in banality.

We are dreamers – who want all the cake.
Screamers drive us to love the fake.
Leaders are the welcome holy snakes.

Never to late to believe in fairytales.
But dealing with the devil means no fair trades.
In our ...

Smart new world – we're turning around ourself
and our brand new toy. We're burning ...

We are gamblers with no limit.
Ramblers in the world of skit.
We prefer not to wait for a permit.

We are poison. And there's no cure.
We need a gun to feel secure.
On the run. We will fuck the plan that's for sure.

Never to late to believe in fairytales.
But dealing with the devil means no fair trades.
In our ...

Smart new world – we're turning around ourself
and our brand new toy. We're turning, turning,
burning.

Smart new world – we're praying to our wealth
Poor boy, we are discerning... customers.

... we are discerning... customers.

Is it a tragedy or just a parody?
All this harmony needs some anarchy.
We are poison.
