

## THE WORLD WOULD BE BETTER WITHOUT YOU

You say hello!  
I say you should go!  
For just one reason:  
You committed treason.

So stop your gossip (stop your gossip!).  
You've already fucked it (already fucked it).  
There's nothing to do (nothing to do!).  
I can't stand you (I can't stand you!).

The world would be much better without you,  
better without you

You drive me mad.  
But not afraid.  
For just one reason:  
You committed treason.

So stop your scene (stop your scene!).  
Your not eighteen (not eighteen!).  
There's nothing to do (nothing to do!).  
I can't stand you (I can't stand you!).
